

City of Bedford
Building and Electrical Inspector

Qualified applicants shall have working experience and knowledge in the inspection of both nonresidential and residential buildings, in the enforcement of the currently adopted State of Ohio Building & Electrical codes. Familiarity with Property Maintenance Codes, Rental inspection and Point-of-Sale inspection procedures will also be required.

Applicants must possess, as a minimum, the following State of Ohio certifications: Class III Building Inspector (BI); Electrical Safety Inspector (ESI); and Residential Building Official (RBO).

A valid Ohio driver's license is required. Drug and alcohol testing and a background check will also be required.

The starting pay will be 48K to 52K plus an attractive benefits package. Bedford is an Equal Opportunity Employer.
